BLEND WITH EASE

[STEP 1:]

Stamp image in Tuxedo Black Memento ink (AC p. 200) on Whisper White Thick Cardstock (AC p. 194).

Tip

Start with either the light or dark shade—you'll get the same effect.

[STEP 2:]

Use the light and dark shade of the same colour to fill the image.

Tip

For easy blending, use both shades of the same colour. You can also experiment with blending other colours with similar hues.

Tip

Use the brush tip for larger images and the fine tip for details.

[STEP 3:]

(Optional) Use the Color Lifter to soften colours, add texture, clean up edges and create highlights.

Tip

Replace the cap right away and store horizontally for longer-lasting markers.
